**Description:**

Few cities are, like Valencia, able to combine so harmoniously remains from remote periods with the most, avant-garde buildings of the new millennium. A panoramic visit to Valencia will introduce you to the city’s history through its architecture and urban development. While exploring the old quarter you will visit the Cathedral and enjoy the beautiful façade of the Silk Exchange (declared a World Heritage Site by the UNESCO). At the Turia riverbed you will learn about Spanish top Architect Santiago Calatrava and its City of Arts & Sciences. This futurist complex houses the Cinema – Planetarium - L’Hemisfèric, the Palace of the Arts, the Príncipe Felipe Science Museum; and the Universal Oceanographic Park. The visit will be an exterior view of the buildings except for the Science Museum, visiting the Main Hall without entering into the exhibitions area.

**Added Value:**

- Great introduction to Valencia and Spain’s history, lifestyle and culture
- The tour covers the main sights of the city: **Cathedral, old quarter and latest architecture by Spanish master Santiago Calatrava**
- Made *for* Spain’s guides are the secret of our success. Good professional hosts, their enthusiasm and sensitivity get through to our clients.
- Management efficiency and reliability guaranteed to offer you the best service and the possibility of customization of the Shore Excursion
