SEVEN SEAS CRUISES

LUXURY GOES EXPLORING®

For extraordinary voyages, your clients deserve ships equally as impressive. The ambiance on board is intimate, yet with the amenities of much larger ships thanks to outstanding space ratios. And our staff to guest ratio provides the highest level of personal service in the six-star tradition of Regent Seven Seas Cruises. From all-oceanview accommodations to luxury European linens, feather-down duvets, robes and cotton slippers, *Seven Seas Voyager*, *Seven Seas Mariner* and *Seven Seas Navigator* provide the ultimate experience for your clients as they voyage across the seas.

The spa will awaken their senses, offering rejuvenating treatments and a refuge from everyday stress. Or they can stay connected to the world through computer centers and wireless access throughout the ships. Guest lecturers provide insights and perspectives far beyond what could be read in the average guidebook, or they may choose to relax outside by the pool, whirlpools or bar. And if fitness activities will help your clients stay centered, they can take advantage of the well-appointed fitness centers or outdoor activities, such as shuffleboard, golf nets and jogging track.
